EXPERIENCE

Sales - Moxie Pest Control

JUNE 2021 - AUGUST 2021

My experience with door-to-door sales has sharpened my skills in communicating with customers, working in a team, and will prove to make me an asset to the solar industry.

Chipotle

January 2020 - PRESENT (2.5 years)

Working in the food industry has shown me how to deal with different types of customers and coworkers. My time there has shown me how to effectively work in a team environment.

Game Development

December 2019 - PRESENT (3+ years)

For three years, I’ve built, tested, and designed my own game through Unity software. This has involved hours of coding and has given me a solid understanding of computers and software development.
